# About This Pack

This pack includes activities and games for teaching VCC and CVCC words. The activities use a combination of all of the words, or only some of the words. The following page provides a master word list for all words used in this pack.

There are 3 main sections.

## 1. Posters and word cards

There are individual posters for each of the words and word wall cards (with pictures). Use the posters for display in your classroom and fluency practice. Enlarge the posters to A3 (lodge) size and then laminate them for durability.

There are word cards (no pictures) that you can use for sorting activities, games, reading practice, or add them to your sound wall (or word wall).

## 2. Activities and worksheets

There are 17 different activities included. Use the worksheets for independent practice, word work centers, and morning work.

## 3. Games

There are 4 different games. The games are ideal for partner work, small group instruction, and literacy centers.
