About This Pack

This pack includes activities, games, and worksheets for the suffixes -ed and -ing. The following pages provide master word lists for all words used in this pack.

There are two main sections.

1. Posters and word cards

This section includes large suffix rule posters and small copies for students. To suit the various locations and pronunciations, I have included two versions of the three sounds of -ed posters. Choose the one that suits your teaching:

1. /d/, /t/ and /ed/
2. /d/, /t/ and /id/

There are also word posters for each suffix. Use the posters for display in your classroom and fluency practice. Enlarge the posters to A3 (ledger) size and then laminate them for durability.

There are word cards (including the base words and suffixes -ed and -ing) that you can use for sorting activities, games, reading practice, or add them to your sound wall (or word wall).

3. Worksheets and games

There are 24 worksheets and activities and 5 games. Use the worksheets for independent practice, word work centers, and morning work. The games are ideal for partner work, small group instruction, and literacy centers.

Suffix -ed

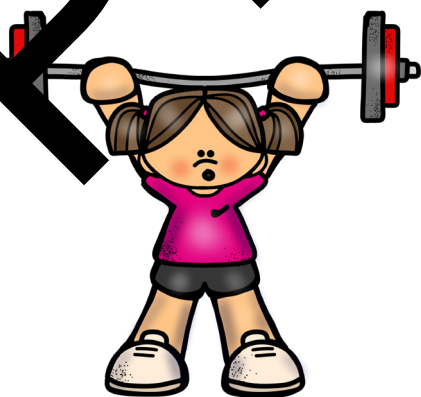

The suffix -ed can have three sounds. Read each word and listen carefully to the sound at the end.
